CALIFORNIA WILDFIRE

33165

Scorching-hot blonde beauty **Alyssa** enjoys going *au natural* in the Golden State's canyon lands, basking in the year-round warm sunshine. While Alyssa's no firebug, she is a hot spark that could easily start wildfires wherever she goes. Alyssa bends at the waist and puts her fuckable butt high in the air, peeling her pussy lips back to expose her firey pink snatch in the dry brush. It's only because her pussy is so sopping wet that the whole field doesn't immediately go up in flames. The friction caused by her cramming her jam-hole with her fave dildo is an outright fire hazard. Maybe that's why she always seems to have a man with a hose following her around!

THE WET LOOK

33156

Why do women take so damn long to shower? Well, put a pair of lesbians in heat together and they're bound to stay in their all day long. Wet brunette, **Aspen Rae**, and her sexy super-soaked blonde BFF, **Lena Nicole**, give new meaning to *eating wet pussy*. "I'm so anal," admits Aspen Rae, explaining why she'd rather get filthy in the shower than anywhere else. "I'm a total neat freak." Lena agrees with Aspen Rae's admission of being anal, as she tongues her up the butt, but says that *she* prefers getting filthy and *then* cleaning up. Try as we can, we just can't imagine of this shower-time frolicking as *dirty*!

HIGH SOCIETY'S *Celebrity Skin!* HOLLYWOOD'S NEWEST NUDES UNLEASHED

BY RAMSEY STEELE

As the summer continues to sizzle, we once again return to the **HIGH SOCIETY** "Celebrity Skin" department. It's in these hallowed halls that HS uncovers the latest crop of Fresh Flesh offerings, featuring a phalanx of sexy, white-hot celebrities who simply can't keep their clothes on! Up front this month are marvelous moments from such sultry starlets as Nicole Kidman, Dawn Olivieri, Irina Voronina and the succulently-stacked Sara Rue, to mention just a few. Hey, it's summertime—so cool down, jump in, and heat up!

NICOLE KIDMAN

HEMINGWAY & GELLHORN

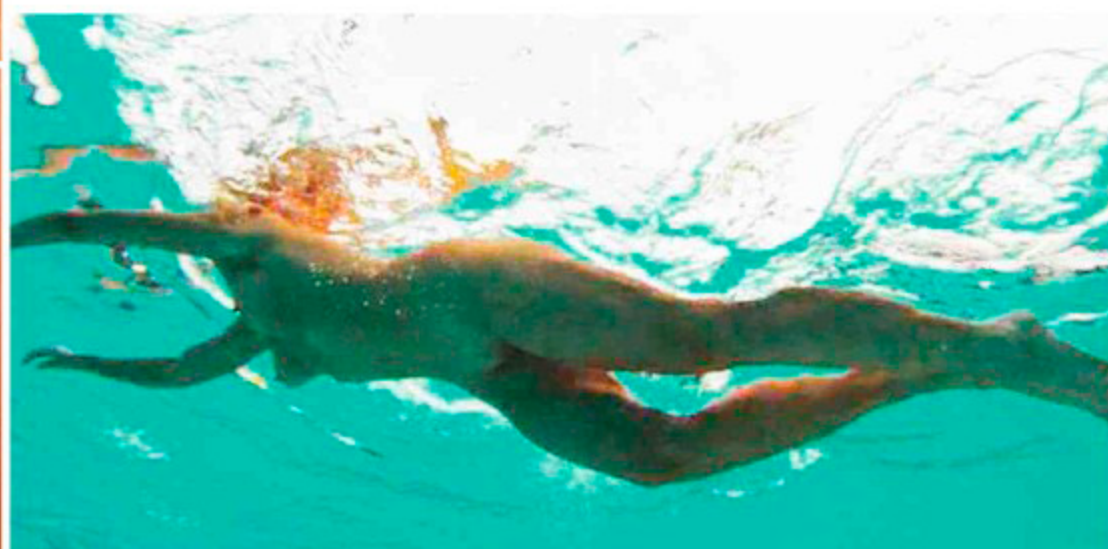

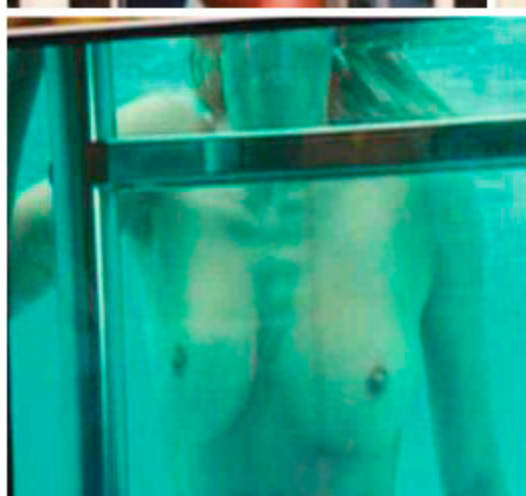

"I can see why Martha falls in love with Hemingway," says the naturally naughty Nicole Kidman of her role as Ernest Hemingway's lover in 2012's *Hemingway & Gellhorn*. "They have enormous chemistry. It's palpable. That's one of the reasons why the sex scenes are so important in this film." Agreed, Nicole. Agreed!

IRINA VORONINA

PIRANHA 3D

"I am out of control and at times...hard to handle. But if you can't handle me at my worst, then you sure as hell don't deserve me at my best," says luscious men's magazine staple and naturally naked Silver Screen starlet Irina Voronina, who gave it her all (boobs and bush included!) in last year's ferocious fish fest *Piranha 3D*.

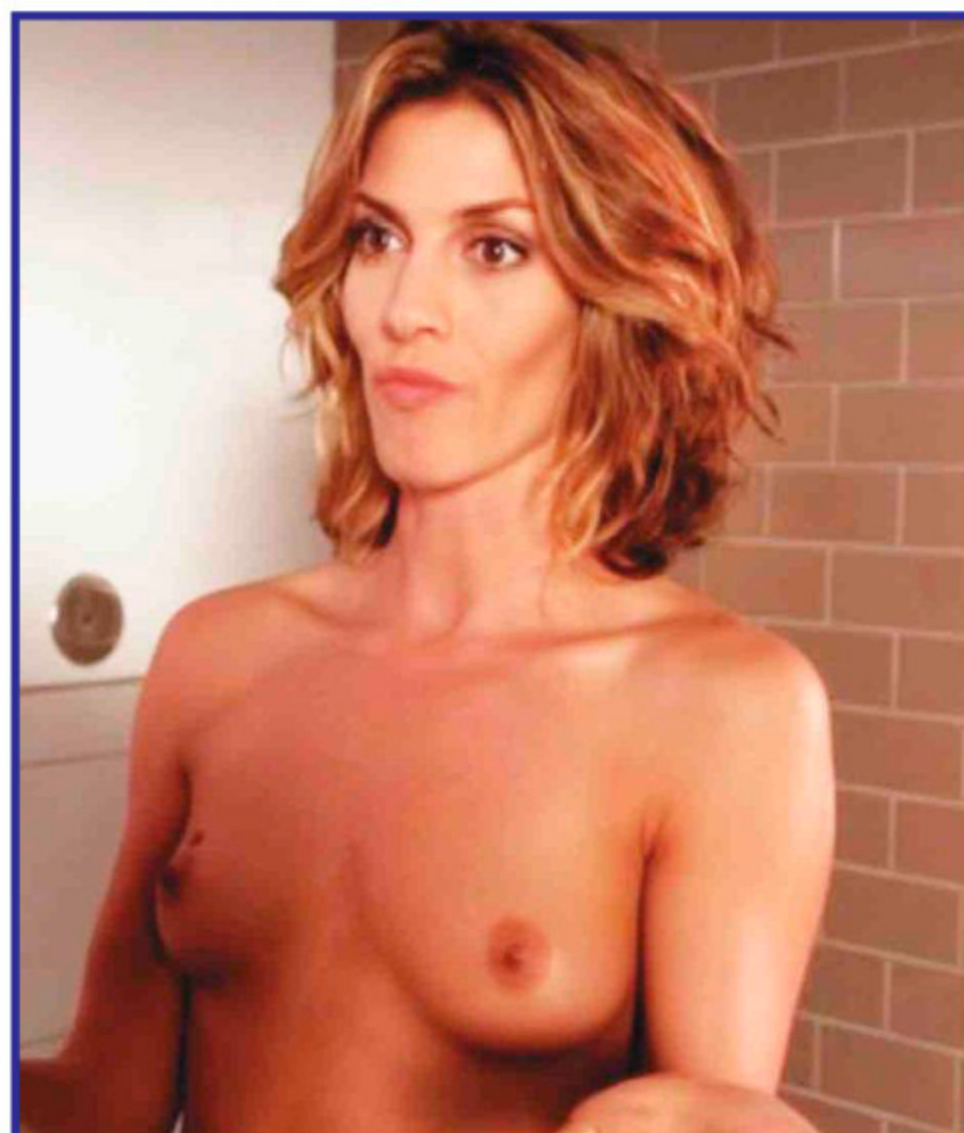

SARA RUE

FOR CHRIST'S SAKE

"I'm done. I'm never going to be a skinny girl, which is good. That's just not my thing," says Sara about her recent weight loss of some 50—count 'em—50 pounds! "Just little, tiny things like waking up and throwing on a pair of jeans and a T-shirt—that's all I wanted." Or maybe removing your top, Sara, to reveal your ginormous jugs, like you did in the 2011 indie comedy *For Christ's Sake*? That sure as hell works for us!

DAWN OLIVIERI

HOUSE OF LIES: SEASON ONE

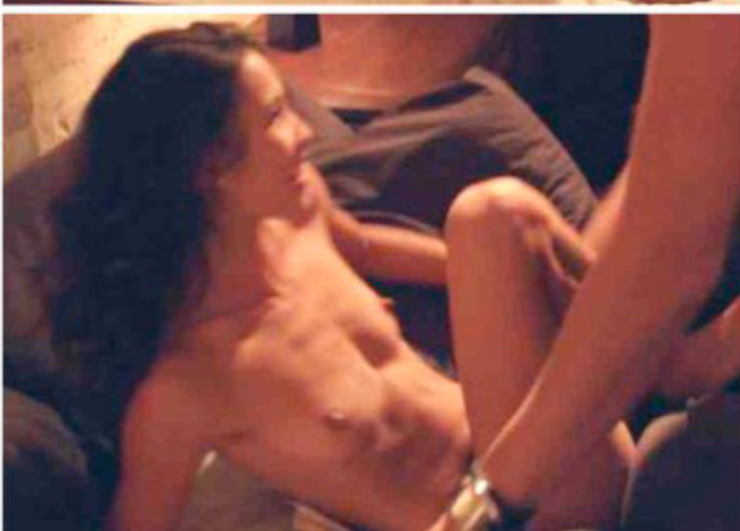

"Since I started acting, pretty much everybody wants me to be naked," sighs Dawn Olivieri, sexy costar of Showtime's snarky high-finance comedy *House of Lies*! "It's just my luck in life here. I work out too much, and therefore everybody that hires you wants you to take off your clothes!"

CARLA HOWE

MAC & DEVIN GO TO HIGH SCHOOL

Bodacious Brit babe Carla Howe, well-known in her native England for the regular appearances she and her twin sister Melissa make in such UK men's magazines as *Nuts* and *Zoo*, first appeared on our radar when she popped up—and stripped down—as a multi-talented masseuse in the 2012 hip-hop stoner comedy *Mac & Devin Go To High School*.

KAITLYN LIEB

TOTAL RECALL

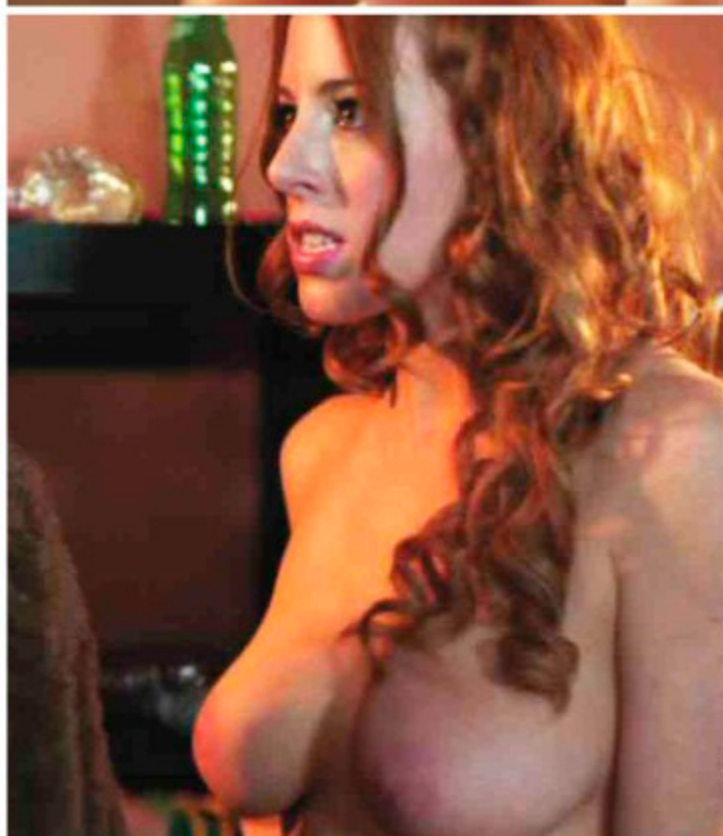

"There were a bunch of people at Comic Con asking if I had surgery for the third one," says curvy Kaitlyn of her memorable turn as an three-breasted intergalactic hooker in the 2013 reboot of the sci-fi classic *Total Recall*. "I guess that's the one thing that bothers me the most is that they think I'm out there prancing around Comic Con with my breasts out!"

NATALIE CELINO

LOVE IS ALL YOU NEED

Building on the heat she generated in the delicious Danish romps *Forbrydelser* (2004) and *Daisy Diamond* (2007), Denmark's own Trine Dyrholm delivers opposite Pierce Brosnan in this similarly imported romantic comedy.

MAURA MURPHY

CELEBRITY SEX TAPE

Full-bodied, frisky and fun, magnificent Maura Murphy broke into the biz via small roles on such boob tube efforts as *Mad Men* and *Scrubs* before making the leap to feature films, albeit independent ones. Leading the pack is Maura's most recent effort, the just-out-on-disc 2009 titillator *Celebrity Sex Tape*.

**DON'T GO

MY BUTT!**

Amy Brooke was heartbroken. Her favorite fuck partner stopped returning her phone calls. "I was totally missing what's his name," she says, her mouth nearly coming off its hinges as she gasps and smiles while her new favorite fuck buddy slams his turgid tool deep into her backside. "Until I met, uh, what's his name here." The butt-happy blonde rams her ass back onto her new dude's dong, sending a recoil down his shaft that causes his balls to tremble and tighten up. "He came by this morning collecting money for some cause," she says, preparing to take a hot load down her forehead. Did you tell him that you already gave at work?

STAR-GAZING

33158

With her huge bazoombas and exotic Cuban-American looks, **Lela Star** is one heavenly body worth studying from afar, but she's even more fun to check-out from up close. Every sexy detail of this hot *mamacita* is worth a second and then a third and fourth look—from her full, super-pouty dick-sucking lips, to her bubble backside, her creamy thighs to her beautiful eyes, Lela Star is hotter than a solar flare. Her favorite position: "Doggy-style," she says, tweaking her erect nipples and giving her *spread my ass and fuck me hard right fucking here you fucking horny mook* smile. That's one smile that says a lot. Latinas really can say everything they need to with body language.

TURBO-D

FOR ERECTION PROBLEMS

American Indians discovered miracle drugs in nature; aspirin in birch bark, quinine in cinchona, digitalis in fox glove and DAMIANA, which they used to stimulate long, strong erections. Chinese used GINSENG to increase sexual power, while Central Americans used sarsaparilla in the same way. Our formula supplants ALL THESE LEGENDARY PRODUCTS in a single capsule for daily use. We make no claim TURBO-D is an aphrodisiac, but we've had many repeat customers since 1974. If you have erection problems, try it. You won't be sorry.

DO YOU WANT THE SEX POWER OF A BULL?

Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans...but if you'd like to WANT IT MORE and DO IT MORE...if you'd like a BIGGER STIFFER ERECTION that goes the distance. Tocopherol may be the answer for you. Tocopherol is completely safe for human consumption and approved for sale by the Federal Government. Send for a trial supply today. You could be giving your sex life a tremendous boost.

ALL ANAL ALL THE TIME!!!

When **Abbie Cat** starts purring about wanting to party, anybody could end up getting a piece of ass. But this sex kitty is no one-man woman. Devouring dicks with her tight Euro body and even tighter rump, it takes a full-on team of horny dudes to satisfy her lusty longings. "Handling multiple dicks is a lot like juggling anything," she laughs. "The goal is to never let one hit the floor." Well said, Abbie. And while she's good at *what* she does, she doesn't really care that much about *who* she does. "Sometimes I forget how many guys I'm fucking at one time," she laughs. Seems like this johnson juggler always manages to have a ball in the air!

HIGH SOCIETY'S XXX TOY BOX

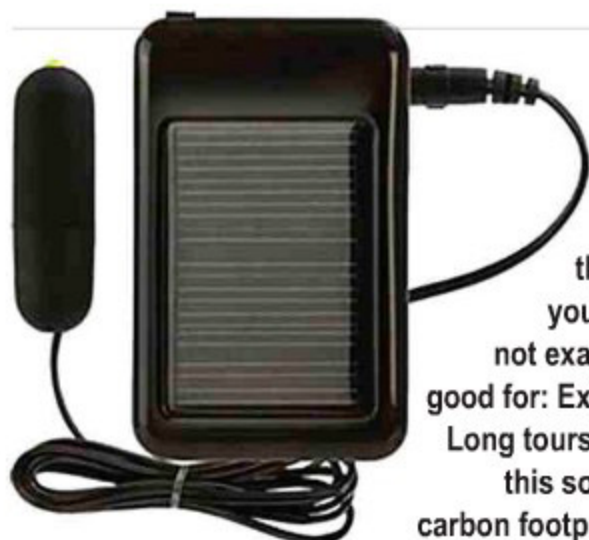

Summer is the perfect time for adventure, and sometimes you don't have to look any further than your own bedroom for some wild action. All you need is a new toy or two, a willing partner, and the heart of an explorer. Arm yourself with sexual knowledge, then gadget up and get freaky! The XXX Toy Box awaits...

PETER PIPER

\$29.99, www.kinkykupid.com

This is a stoner's ultimate pleasure tool. Pipedream's Original Peter Piper is smooth and sensuous and doubles as a pipe—perfect for enjoying your favorite smoke right before you enjoy each other! Try it with a friend; one takes a toke, the other gets a poke. What's better than getting high and riding an eight-inch glass dong? We can't think of anything—maybe because we're so stoned, man! Peter Piper offers the sex and drugs—you provide the rock and roll!

SOLAR POWERED VIBRATOR

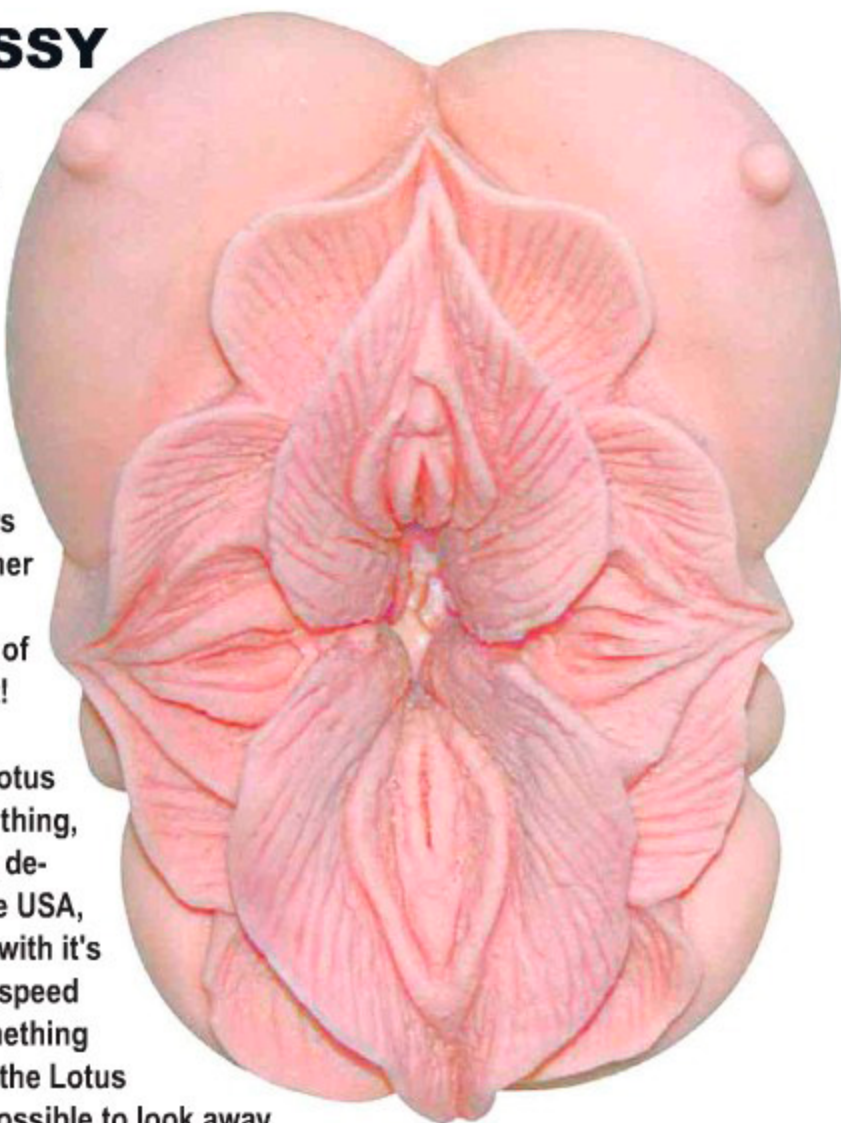

\$34, www.babeland.com

Go green while playing with your pink! If there's one sex toy you'd want to have with you on a desert island, this is it! In fact, we're not exactly sure what other application this toy is good for: Extended camping trips?, Boat excursions?, Long tours on an oil derrick? Whatever the situation, this solar powered vibe allows you to lower your carbon footprint while pleasuring your fuzzy furburger!

LOTUS PUSSY

\$89, www.amazon.com

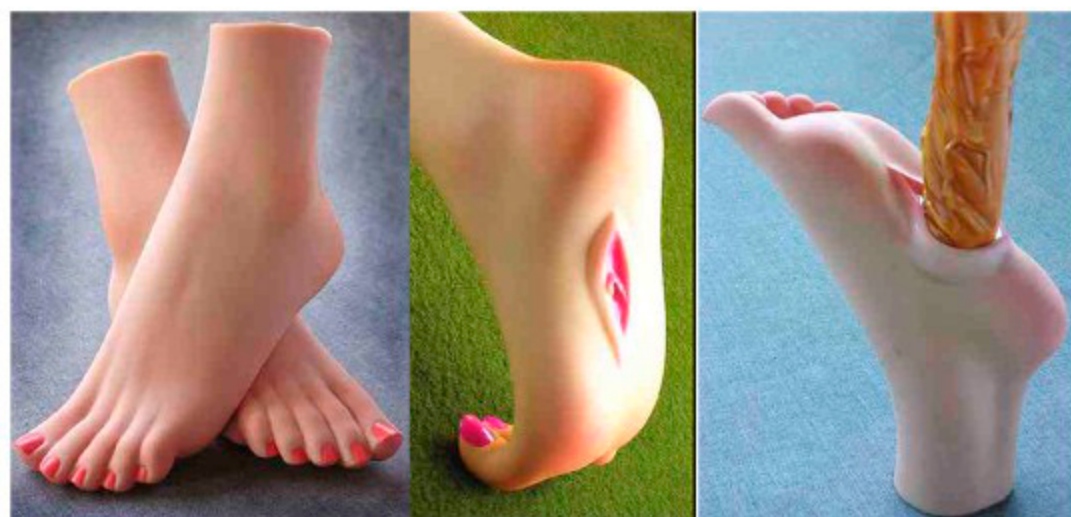

Look into the Lotus Pussy. Look deeply into the Lotus Pussy. Pussy blooms like flowers, a field of fresh vagina. In Eastern religions, the lotus flower has been symbolically linked with the vagina for centuries. Now, TSX Toys has brought them together to create a toy that will bring you to a new level of orgasmic enlightenment! Made with TSX Toys' Fauxskin material, the Lotus Pussy feels like the real thing, and possesses amazing detail. Proudly made in the USA, the Lotus Pussy comes with its own (replaceable) multi-speed bullet vibe. There is something beautiful and sad about the Lotus Pussy that makes it impossible to look away.

FOOT FUCKERS

\$105, www.messandnoise.com/discussions/1102698

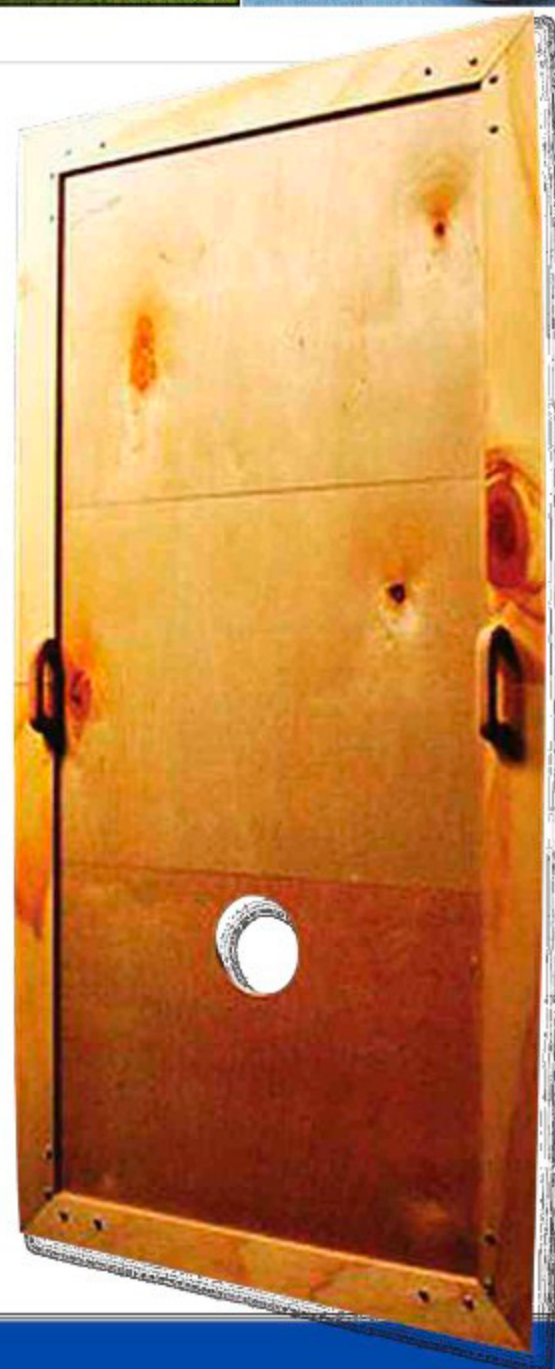

We're all familiar with the Fist of Glory—a giant rubber hand used for out-there sex play. But what the fuck are these rubber feet all about? Why is there a tiny vagina in the middle of the sole? What kind of unholy terror is this? Now podiatrists, pedicurists, and foot fetishists alike can indulge their passion with the aptly named Pussy Foot. If you're a fan of delicate toes, soft pink polish, and fantasies of fucking a mutant vagina-foot, this toy is a dream come true. For the rest of us, good luck with the nightmares. BONUS: Leave your Pussy Foot on the front lawn around Halloween to scare the crap out of the neighborhood kids...and everyone else!

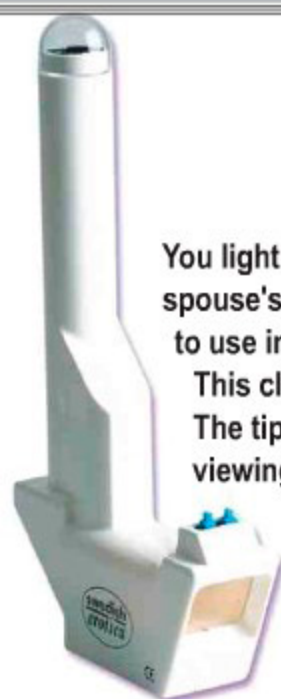

THE PORTABLE GLORY HOLE

\$130, www.gloryholesnow.com

Take your deepest perversions on the go with The Portable Glory Hole. Fun at parties, dances, cruise ships...even the bus or subway! You're practically guaranteed a seat on public transportation when you carry around The Portable Glory Hole. You'll meet lots of interesting new people, too! Made with a strong, lightweight frame, and removable 1/2" wooden panel inserts, The Portable Glory Hole will mount/hang in any standard size doorframe or hallway (it adjusts to openings from 27"-40"). It can also be raised or lowered to accommodate guests of different heights. Blow a giant! Suck a dwarf! With The Portable Glory Hole all things are possible!

VIBRATING PLEASURE PERISCOPE

\$39.50, www.stockroom.com

You light up my wife! Illuminate the deepest regions of your spouse's orifice, and then wipe it clean and give it to your kids to use in the school Science Fair! First place here we cum!

This clever creation combines a vibrator and a periscope. The tip is rounded clear plastic, and lights up for your viewing pleasure. The shaft is hollow with a mirror inside its base. It has separate on/off switches for both the vibrator and the light, so you can use either one independently of the other. Try using it with a speculum! Try having your head examined!

This is heavy-duty equipment for the woman with a heavy-duty sex drive. Check out the mounting base on this baby, and those massive shock absorbers! It's like a truck full of dildos crashed into a small engine repair shop, and this contraption was plucked from the rubble! (Gee, hope nobody got hurt!) The Vibrato is a Sybian-style vibrating dildo sex machine custom made by Ivarton, and sells for \$170—a fraction of what an actual Sybian costs. Hey, the holidays are right around the corner—put this under your tree, and make a lasting impression! Plus, you can buy it on Etsy along with homemade doilies.

CONE VIBRATOR

\$128.95 www.conevibrator.com

CUP A NUDE

\$6, www.dannychoo.com/post/en/1215/Cup+Nude.html

Those Japanese are so wacky! They pixilate pussy in their porn, but they'll sell you a contraption that looks like somebody's lunch to jerk off into. Cup Noodles are a food staple for diners on a budget. College students and starving artists live on this stuff! Cup-a-Nude allows jerk-offs on a budget to empty their seed into a familiar Styrofoam receptacle. It beats the alternative—letting an actual Cup Noodles cool to room temperature, and sticking your dick in it. Or does it?

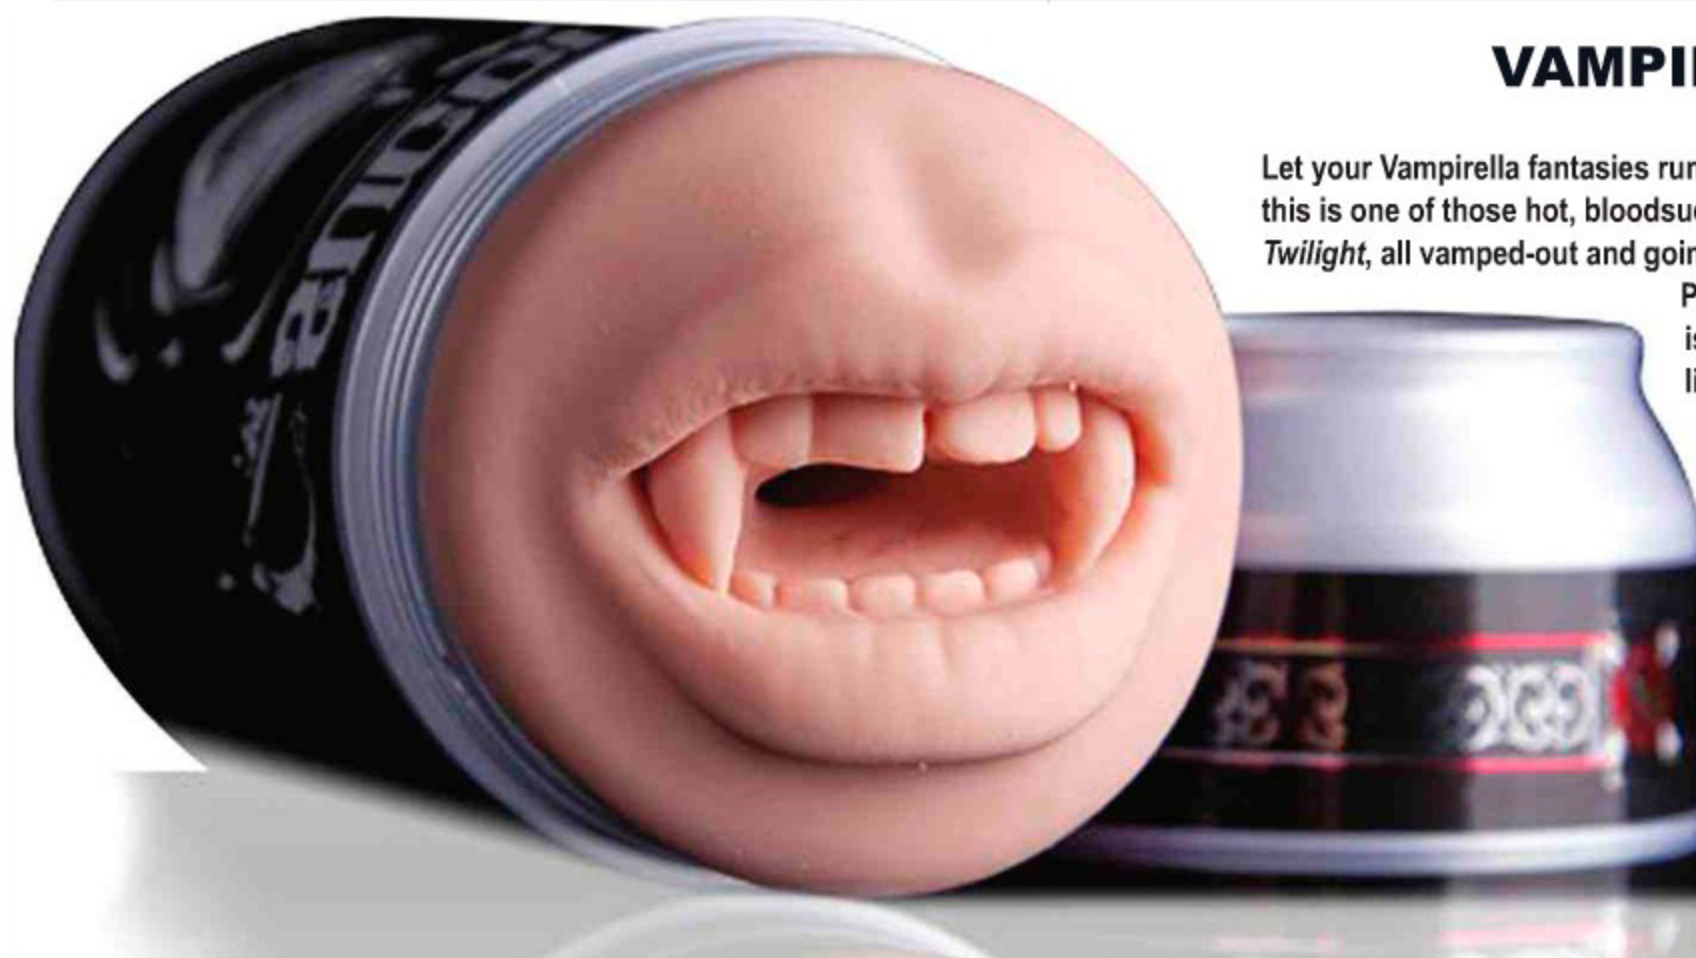

VAMPIRE MOUTH IN A CAN

\$49.95, www.fleshlight.com/succu-dry

Let your Vampirella fantasies run wild while you fuck a can! Seriously, imagine this is one of those hot, bloodsucking bitches from *True Blood*! Or Bella from *Twilight*, all vamped-out and going nuts on your pecker. Or, okay. Go ahead.

Pop the top, and pretend Fleshlight's Succu-Dry is Edward. It's all good and this mouth looks a little queer to us anyway. Makes the perfect gift for the sad, lonely Goth geek in your life.

KEEPING UP WITH THE JOHNSONS

PENIS ENLARGEMENT & THE BALLSY QUEST FOR A LONGER DONG

Story by PETER THOMPSON Illustration by WAYSHAK

When it comes to being average, 37-year-old James Christopher of Tulsa, Oklahoma is abnormally remarkable and uncommonly ordinary in nearly every measure. Everything about Christopher, from his looks to his slightly receding hairline to his 20-pound boiler speaks of his life as an average everyman. The 5'9" Christopher wears a reasonably priced, size nine Oxford to his utterly forgetful middle class office job that he drives to at five to 10 miles per hour above the legal speed limit in his grey 2006 Honda Odyssey.

James is not just a regular guy he's *the* regular guy. Perhaps the most striking (or *least* striking) of his attributes is the size of his cock. It's just perfectly average: 5.7 inches long (his measure-

James Christopher doesn't just have an average cock he has *the* average cock. Yet for a catalog of reasons, Christopher is absolutely *certain* he's packing a child-sized light saber. And he's absolutely obsessed with the idea of taking action, of doing something drastic to fix it. To that end, he's put down his deposit and scheduled his penis enlargement procedure. In exactly 64 days, James Christopher will go under the surgeon's knife, hoping to have his crotch monster surgically supersized—to hopefully turn his little piggy into Hogzilla.

THE WORTHLESS & WEAK

Society tells men and women that they've all got serious inadequacies—that they need to be more of this or less

me that masturbating with a different grip would increase my size."

Growing numbers of men are in fact going in for cosmetic surgery, from hair transplants to nose jobs, but there are only *guesstimates* at how many dudes have had such intense landscaping done in their front yards—perhaps 10,000 to as many as 200,000. But, more and more courageous souls are going under the knife and putting their faith and their fuckstick in the hands of a dubious procedure, hoping to wake from the anesthesia with an extra inch and a half of fuckmeat and a newfound confidence.

Is plastic surgery ever the best answer to fix what ails you? Most doctors who have given phalloplasty a critical eye have come out strongly against it as a procedure. The problem, they've con-

ment, not mine) and about 4.9 inches around. James is in the meaty middle of the man-meat bell curve.

The average pork sword is between 5.3 and 6.1 inches long, and nearly 94% of all donges are within an inch of these parameters. The average girth is 4.7 to 5.1 inches. Even among porn stars, the typical stunt cock's love prop is only six to seven inches long, about half an inch to an inch longer. There's an unfailing predisposition toward exaggeration in self-measured, self-reported choad surveys. While dudes who claim to be swinging nine-inch bitch bait are actually quite common, a genuine nine-inch dong is a statistical freak of nature, occurring in one of every 10,000 men, or 0.0001%.

Size declarations for porn legend John Holmes' "resume" range all the way to 14 inches long. It was probably closer to 10 or maybe 10.5 inches, say the people who actually worked with him or had his schlong stuffed inside of them. Even when you're talking titanic taco ticklers, you quickly run up against a cement wall of diminishing returns.

of that to achieve happiness. But it also gives people the hope of obtaining a temporary adequacy if only they'd purchase this particular product or service. Buy *that* and you'll be okay—at least for now.

So how does the typical male relate to society's mandates concerning his manhood? Society instructs him to "man up," but gives him no practical route to achieve such an abstraction. There is never any summit to the mountain, only constant climbing.

James has no interest whatsoever in attempting to do anything else to make himself a more attractive mate, aside from having the surgery. He refuses to join a gym and try to get rid of his gut. He doesn't want to waste money on a new wardrobe, fresh haircut, finishing his education, or updating his style. He considers all of those things uncertain half-measures.

"I've tried every pill, pump, exercise, and stretching technique out there," he says. "I paid \$50 plus handling for a program that turned out to be nothing but a 26-page document basically advising

cluded, is not way down in a man's pants amid the penis cheese and nut fog, but somewhere up inside of his head.

D-DAY

James' appointment with the Rod Reaper was moved up a few weeks, as he could no longer fall asleep due to the excitement. The new date: appropriately, June 7. But the date isn't all that has changed. He now plans to put the future of his smush piece into the ever-competent hands of the cosmetic surgery pros in Juarez, the Mexican border town south of El Paso.

"It doesn't have the feel of a traditional, you know, what's it called...what kind of hospital?" James said.

"Medical?" I guessed.

"I saw it online," he said. "It's more like a doctor's office than a hospital, 'cause penis stuff is the only thing they do," he said. "Plus the doctor is this Asian woman." He licked his lips. "There are lots of pictures of the place on its blogger site."

To me it sounded way too much like trusting an intoxicated Special Ed Class

to fix your car's brakes.

There was sure a lot of concrete around the place, giving it a kind of bunker-like mentality.

"Check out that shot of those cool recovery chairs," he said. "They're Swedish," he said.

"Those are hair dryer chairs from a salon." My mouth remained open with disbelief.

"Dr. Li shares her office with a Mexican guy who specializes in hair and scalp," he said.

"Hair transplants?"

"Haircuts," he said. His itinerary fell out of his trip folder. "Taking the bus?" I asked. The Greyhound left downtown Tulsa at 3:40 am and got into Juarez sometime after midnight the next day—a 20-plus hour bus ride.

"You're taking the bus?" I said again.

With advance purchase, tickets for this leg of the masochistic marathon were \$180 roundtrip. Flights, (a 95 minute hop), started at \$399.

STIFFED BY PENIS PILLS

The \$1 billion a year male genital enhancement industry is growing faster and larger than even their bullshit claims. On every single box, every tube, packet, and jug of male enhancement

very phrase "male enhancement" seems to be the philosophical mantra and centerpiece of the industry. Whoever came up with the euphemism unlocked the fucking mint. After all, what exactly is "male enhancement," and how the hell do you prove you did or didn't get it from the \$40 pack of pills you just bought? It could mean anything or nothing. Or, like most corporate speak, it means a little bit of both, but neither of either.

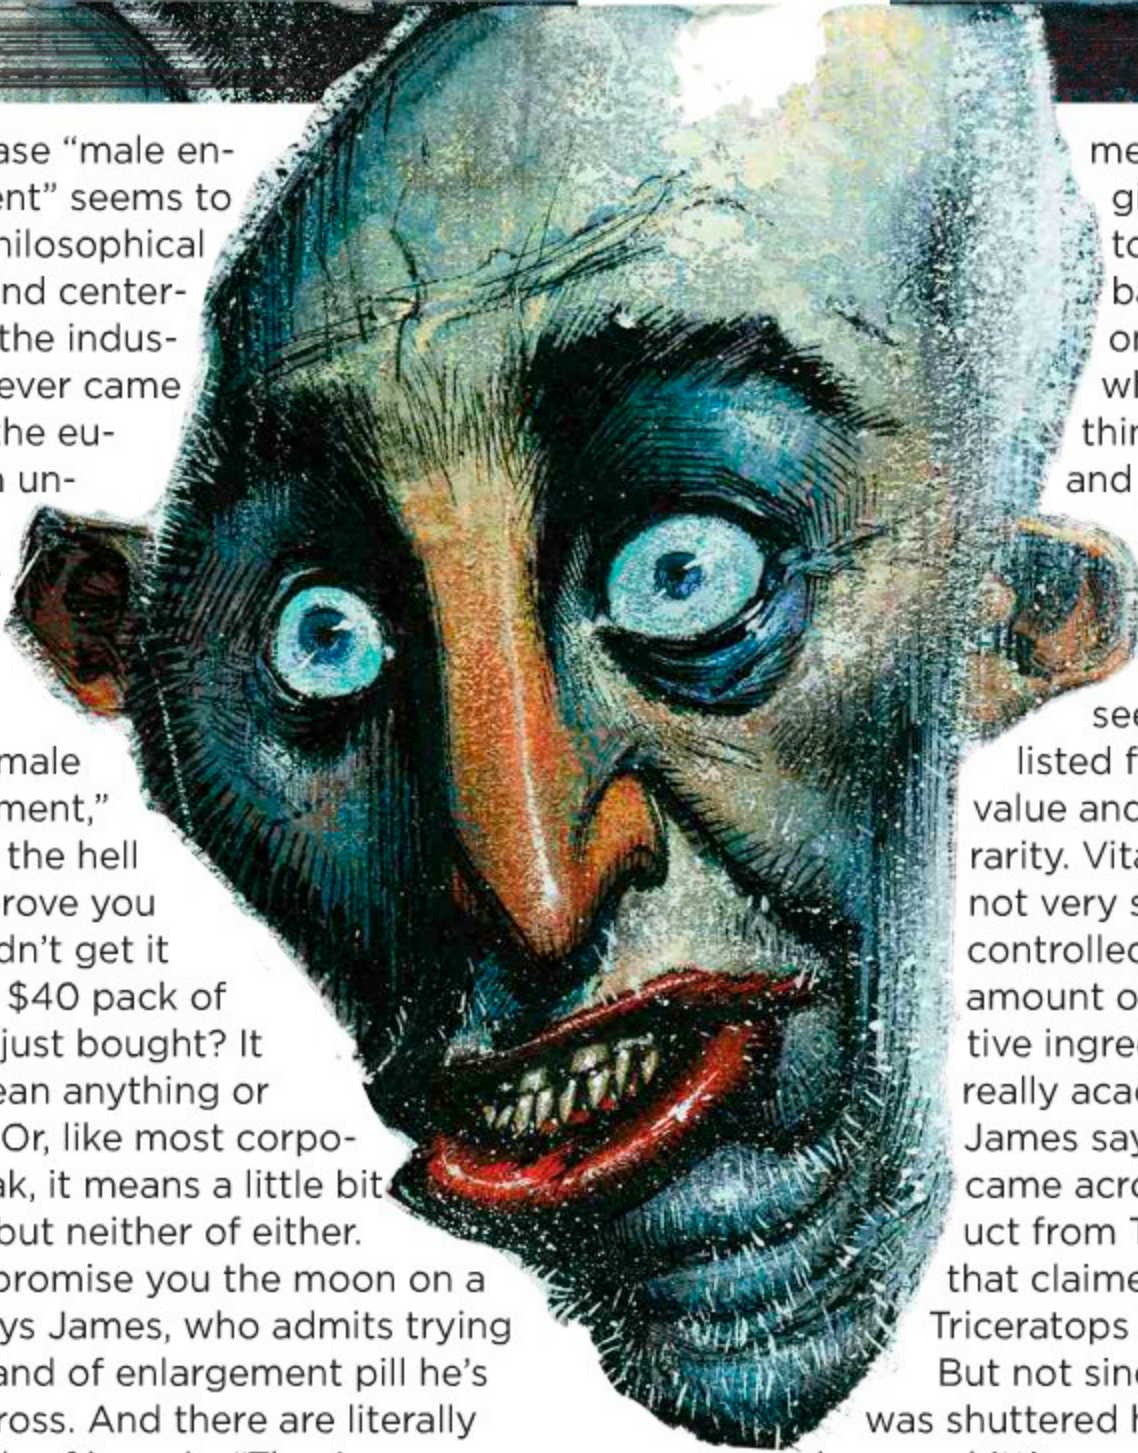

"They promise you the moon on a stick," says James, who admits trying every brand of enlargement pill he's come across. And there are literally thousands of brands. "They've even started carrying them at the grocery store," he says, shaking his head. While the pills, powders, rubs, and soaps

metto, and ginkgo biloba to yohimbe bark and once in a while, something absurd and outrageous, like powdered crocodile penis, which

seems to be listed for its shock value and perceived rarity. Vitamins are not very stringently controlled and the amount of any inactive ingredient is really academic.

James says he once came across a product from Thailand that claimed to have Triceratops RNA.

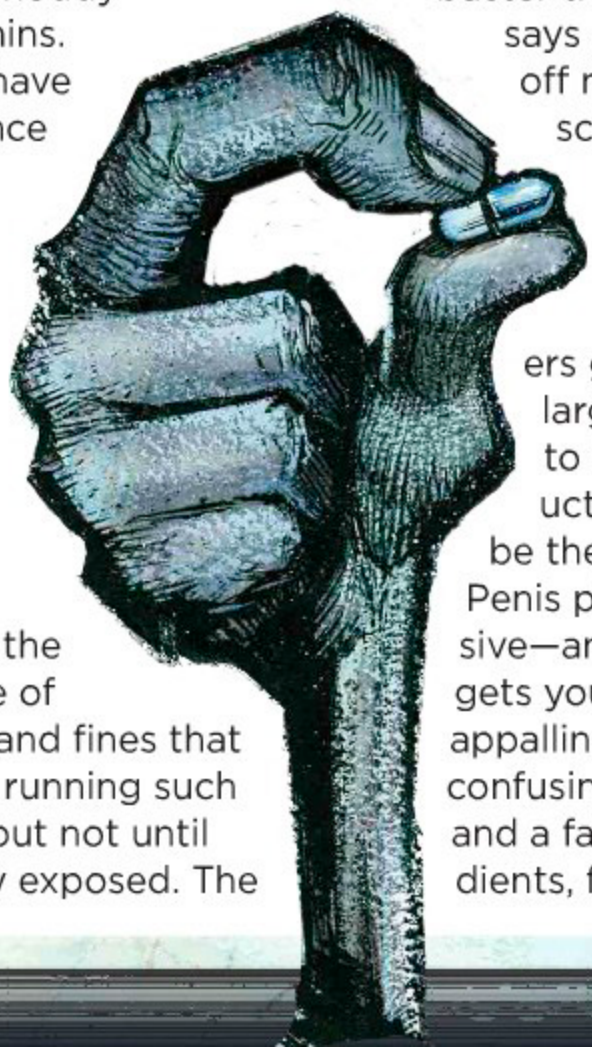

But not since Enron was shuttered has there been a shittier, more malevolent American company able to stuff more scourge-ridden barn rats up their gaping corporate crap-holes than

Bottom line: You can't make your penis bigger by stretching it any more than you can make yourself taller by hanging from the pull-up bar.

pills sold in the USA, on every lotion, gel, ointment, and liniment you will (at least legally) find the warning: "These statements have not been evaluated by the Food and Drug Administration (FDA)." This verbiage is, essentially, a license to steal.

This caveat means that the companies are selling their shoddy merchandise as vitamins. Manufacturers don't have to provide any evidence whatsoever of their product's safety or effectiveness before putting them on the market. Sure, they are eventually liable if they harm or kill somebody with their penis potions, and they're not immune from being caught in the inevitable legal lattice of class-action lawsuits and fines that any company caught running such a brazen con would, but not until their claims are finally exposed. The

promise you John Holmes and Ron Jeremy-like genitalia, they couldn't even deliver on Hedgehog hygiene. In the early days of his penis quest James ordered a tube of topical cream containing human pheromones and what was supposed to be some kind of hardening agent. "The shit smelled like the fungus buster they spray in bowling shoes," says James. "And it wouldn't come off no matter how hard I scrubbed."

DECEPTION & DECEIT

For all their miraculous tales of growth—pea shooters growing into beanstalks—the largest shaft you're ever going to see while taking these products, sadly, will not be yours. It'll be the one at the cash register. Penis pills are ridiculously expensive—anywhere from \$40 to \$500 gets you a monthly supply and an appalling clusterfuck of skewed data, confusing charts, fraudulent claims, and a farcical array of dubious ingredients, from Asian ginseng, saw pal-

Biotab Nutraceuticals, the "premier, all-natural, lifestyle supplements company," the makers of Extenze.

Surely you've seen their commercials, the ones where Jimmy Johnson, former Dallas Cowboys Super Bowl coach, loses an entire career worth of hard-earned respect in 0.2 seconds as he shills for the Hershey squirt company. Extenze even spent \$5 million on a corporate-sponsored NASCAR paintjob, the #34 car once driven by Kevin Conway. Things, however, didn't quite work out when Extenze couldn't pay the \$5 million it owed and things kind of fell apart from there.

Go to any legitimate consumer rip-off report site (you have to be careful, as some of them are actually owned and maintained by Biotab) and you'll see hundreds, if not thousands, of identical reports. It's one thing to rip off the public, but it's quite another to hit them with the rip-off "ripple effect," meaning they fleece them once and then continue to fleece them every subsequent month by over-billing and in some cases double-billing the customer. There are

thousands of reports of this shitty business practice from Biotab online and reports of lawsuits settled and paid by the company. In mid-2011 they were required to pay \$1.75 million for violating consumer protection laws with false advertising. And that was just the lawsuit filed by the District Attorney of Orange County, California. There have also been class action lawsuits filed against the company (one forcing them to pay \$6 million), but until they are actually hit with a lawsuit that costs them more money than they're taking in, they will continue to sell these crappy magic penis products.

One company offers a series of before and after photos where (for censorship reasons, obviously) the penis has been masked by a black box. The "before" black box is average sized, but the "after" black box appears to be insinuating that the man who took this product somehow turned his penis into a Sequoia. Testimonials often come from doctors in other fields than medicine. A Dr. Rottun (who turns out to have his doctorate in Physical Education) recommends a pill that comes with a link to 156 pages of medical boilerplate collected during a study that allegedly took place at a Caribbean university with absolutely no Internet presence. The triple-blind placebo-controlled independent study done by the School of Medicine at the venerable University of the Bahamas, Fidelis Island medical campus, appeared to be a legitimate study. Of course, anybody who actually read the first few pages would see that all the study confirmed was that the pill was, in fact, clinically studied.

Penis pills, penis creams, pumps, and ointments are all bullshit! But what about this new exercise called jelqing that is supposed to increase the volume of blood allowed into the chambers of your penis, thus making you bigger over time? How about the Tesla Clamp that fits over your member and plugs into the wall, delivering 110 volts of electricity that powers an LED light, letting you know that the product is plugged in? And what about injecting your pisser with IVs of silicone until it stretches out and eventually becomes the same size, color, and texture as a Fijian grandmother's ankle. Bottom line: You can't make your penis bigger by stretching it any more than you can make yourself taller by hanging from the pull-up bar.

POST-OP

It looks traumatized. It looks like it's just survived a nuclear disaster, like it should have a blanket wrapped around its shoulders while holding a cup of black coffee outside a Red Cross tent. A post-operative penis resembles a

marshmallow Easter Peep that's been soiled and knocked around for a while in the very bottom of some-

body's purse. It's tinged with a sickly yellow tint of iodine. The penis doesn't

appear to be appreciably longer, though the one that was cut open and stuffed with lipids sucked from the patient's ass and stomach does seem to be a bit swollen and, actually, looks much more traumatized and already a little lumpy.

BIGGER: PHALLUS OR FALLACY

Today's phalloplasty method, the one James is about to experience, has been the cutting edge (no pun intended) of surgical penis lengthening surgery. It's been performed for more than 20 years, though very few medical governing bodies actually recognize it as a legitimate medical procedure because certain questions linger as to its safety and long-term effectiveness.

After shaving you completely, balls, pecker, and pelt, the doctor will make an incision about an inch above the intersection of meat and man. The penis is normally a very dynamic organ, made to move around like a joystick. The surgeon then goes in and cuts what's known anatomically as the penile suspensory ligament. Its job is to tether the penis to the pubic bone. Just one snip does the trick. The penis is now untethered and the inch or so that's been stuck inside the body now floats loose, in theory, at least, giving the patient a longer penis by an inch or so. Of course, now the penis is free to sway out of control. To ensure that it doesn't, the surgeon will fit the patient with a tension-mounted penis stretcher to

wear 24 hours a day, every day for the first four months after surgery. Surgeons blame their patients lack of adhering to this four month program in its entirety as the number one reason a person comes away unsatisfied with the results of his \$5,000 to \$8,000 penis enlargement surgery.

ONE FRANKENWEENIE, PLEASE!

Adding girth to your dick is actually a more skilled and less perfected operation. There are different doctors with different techniques, but there's as of yet no standard of care. Nobody's really been able to claim anywhere near perfection of the technique. The surgeon prefers his girth patients come into a session at least 20 pounds overweight (I can't find one single case in history where this has been a problem) so that the surgical team has more raw material to work with, more fat to stuff inside the cock, now being treated something like a duffle bag. The surgeon runs the fat-sucker around the pubic mound, the love handles, and anywhere there's an unsightly bulge. This fat is then made as dense as possible and repurposed into stuffing for your dingaling. Of course, your penis isn't made of pure fat, so whatever the surgeon manages to jam inside your shaft, there's a good possibility that it will move around, mass up into a ball, or even get reabsorbed into the body. And there's a huge chance that your penis won't come out as sensitive as it did going in. Risks of girth surgery are more serious and can include systemic penis infections (pissing pus), loss of length, and numbing—not to mention erectile dysfunction.

Polls of women tell us that penis size is actually way down on the list of traits they look for when selecting a mate, and there's far more to being a good lover than jamming a huge hog into a tight hole. The penis enlargement industry preys upon guys with low self-esteem. When it comes to what you're packing in your pants, being average really is above average. Having a washed, disease-and-sore-free dong automatically puts you in the top half the competition, whether you're three inches, four inches, or five. It's a hell of a lot of trauma given such a small gain. That could be why so few men actually go through with the surgery once they fully understand how the procedure works—or doesn't. Besides, everybody knows women could care less about the size of a man's prick—it's the size of his bank account that they really care about. Just ask "The King Of All Media," Howard Stern.

JADA STEVENS

THE HIGH SOCIETY INTERVIEW

by Rob Perez

PORN VALLEY, CA—JADA STEVENS IS BUTTWOMAN, AND WHAT A BUTTWOMAN JADA STEVENS IS. LONG BEFORE BEING BESTOWED THE PRESTIGIOUS HONOR BY GONZO POWERHOUSE STUDIO ELEGANT ANGEL, JADA WAS ALREADY ONE OF THE MOST DOMINANT AND SOUGHT AFTER PERFORMERS IN PORN. IN JUST TWO YEARS JADA HAS ACHIEVED ELITE STATUS IN THE BUSINESS, PUTTING HER IN THE VERY SMALL COMPANY OF PORN SUPERSTARS WHO COMMAND ATTENTION, BIG BUCKS, AND BOX COVERS. BESIDES BEING CROWNED BUTTWOMAN BY ELEGANT ANGEL—FOR HER CURVACEOUS BOOTY OF SIN—JADA HAS ALSO PERFORMED IN THE STUDIO'S GANGBANG SERIES, WHERE SHE ONCE TOOK ON SEVEN WELL-HUNG GUYS IN A DECADENT ORGY IN WHICH, NOT SURPRISINGLY, JADA WAS THE MAIN COURSE. DOUBLE VAG, DOUBLE ANAL, JADA SHOWS EVERYONE JUST HOW THE BIG GIRLS HANDLE COCK. AS ONE OF ADULT'S NASTIEST, FILTHIEST, AND MOST IN-DEMAND PERFORMERS, JADA FOUND TIME TO SHARE HER "TAIL" WITH THE KING OF SEX MAGAZINES, **HIGH SOCIETY!**

HIGH SOCIETY:

How did it feel to be crowned the new Buttwoman?

JADA STEVENS:

It was awesome. I loved it. It's still sinking in, for sure. But I think I deserved the title, I worked hard for it.

HS: Kelly Divine, the previous Buttwoman, has said she hoped that you'd be the next Buttwoman, that you had the perfect bubble ass.

JS: That's my best friend. She passed the torch to me and I respect that. Out of everybody, she was a good sport about it. Any bitch could've been like "Oh no, fuck that, I'm

Buttwoman." But that's my friend and she was a good Buttwoman. She deserved to have it longer. [Laughs]

HS: That girl has a nice ass.

JS: Yes. That is a fucking ass. [Laughs] My ass could not be compared to hers. [Laughs]

HS: You've worked with Kelly before?

JS: Yeah. I've done a few scenes with her. Her scenes are really good.

HS: Are you into rough sex or do you like it gentle in your personal life?

JS: I like both. It depends on my mood. I like

**I like to suck dick.
I love to give head, it
gets me going.**

rough sex, I like soft sex. It just depends.

HS: Would you say you like guys more than girls or is it about equal?

JS: I definitely love guys way more. Girls just tend to get in the mix.

HS: Is sex in your personal life wilder or tamer than it is on camera?

JS: My sex life use to be wild just like on set, but I've calmed it down. I still have a lot of sex, but it's not as wild or sporadic.

HS: Do you still like to do random hook-ups, one-night stands?

JS: I do. I'm very random. I like a variety of people. One guy can only please me for so long. It's just the fact that I like variety.

HS: Do you enjoy the attention you get from guys whether you're at a convention or out on the street?

JS: I love attention. I'm not going to lie. I love getting attention. But there's also a time and a place for a certain type of attention.

HS: So you like being naked?

JS: Definitely! I love being in the nude.

HS: When guys are checking you out does that also turn you on, as well?

JS: Yeah, I would say that. It does give me that horny feeling. That definitely goes through my mind when somebody is checking me out or you're checking somebody out.

HS: *Being from Atlanta is it still taboo for white girls to hook up with black men?*

JS: Yeah, it is. It's better of course, but it's not California. In California, everything is cool. When you go down South it's still crazy.

HS: *Do white girls have to keep quiet about their attraction to black men?*

JS: No. It's not as bad, but it's definitely still not the best place for interracial relationships in the South. You don't really have to keep it on the hush, but you still got to take all the shit that comes with it if you're out with it.

HS: *Do you think there are more white guys in the South that are attracted to black women than admit to it?*

JS: Yes, I definitely do. It's something they keep quiet about, but I do think there are more guys attracted to black girls than admit to it.

HS: *How do you maintain a normal sex life being a porn star? Do you have fuck buddies?*

JS: [Laughs] I have a few fuck buddies. It keeps me busy, for sure.

HS: *How does a guy get to be on your fuck buddy list?*

JS: I don't know. That's a question I've been getting a lot lately. If I'm feeling somebody or if I'm comfortable, it just has to happen. Most of the people I've met recently have been in the strip clubs, so that's where it happens. I guess you gotta go into the strip clubs.

HS: *Where would you rate your blowjob skills on a scale of 1 to 10?*

JS: I think I would be a nine. I still got some techniques to master, but I'm pretty good.

HS: *Can you describe one of the hottest sex scenes you've ever been involved in?*

JS: Besides the one [for which] I won at AVN in 2012 there was another one with Nacho and Jynx Maze for Evil Angel's *Anal Buffet*, I think. That was one of my favorites to shoot. It was with whip cream, milk, asshole and everything.

HS: *Now I'm hungry. In your personal life you do have anal sex?*

JS: I do, but you know, in the civilian "world" not a lot of guys are into anal like that. So if you don't know how to fuck an ass I definitely wouldn't want it. [Laughs] So it depends, as long as the guy knows what he's doing in my personal life I have it.

HS: *I've been told I know what I'm doing back there.*

JS: [Laughs] That's a good thing. You've earned some brownie points.

HS: *What would you say it takes to make a really hot sex scene?*

JS: I would say good chemistry with your scene partner and definitely being turned

My first time [getting DP'd], to be honest, it blew my mind. I didn't know how to cum, I didn't know what I was supposed to do.

on is always a plus. That's really all it is, just chemistry and how good the sex is if you do foreplay and stuff like that before the scene. That always helps.

HS: Do you need that when you have sex off camera?

JS: I would say pretty much the same. Sex off camera to me is always better. Sex on camera is always good too, but when you're off camera it's kind of more intimate. You don't have to open up for everybody, so it's better sex.

HS: Before porn did you have threesomes, group sex, or orgies?

JS: I did. I had a few wild threesomes—two guys and me—and then two girls and a guy

when I was younger. I was like 18 so it was the year before I got into porn.

HS: Tell me about the first time you had a threesome. How did it occur?

JS: You kind of get the vibe. If all three people are comfortable with each other and things kind of happen. Chemistry needs to be good with three people and just feeling it.

HS: Was the first time you had anal sex a good or bad experience?

JS: It actually was good. I ended up liking it. I can remember exactly how it went down and everything. So it was good. I've always kind of liked it, not as much as I do now, but I definitely experimented with it

when I was younger.

HS: What was it like being DP'd for the first time?

JS: My first time, to be honest, it blew my mind. I didn't know how to cum, I didn't know what I was supposed to do. I just relaxed and let it happen. It was definitely rough for me because I was trying to perform and that's a position where you really just lay there and let the guys do the work.

HS: Which do you prefer: anal or vaginal sex?

JS: I definitely love my vagina, but anal sex is definitely close. I really enjoy it a lot.

HS: You have been with some very large

THE FUCK FACTS

Birthday: July 4, 1988

Birthplace: Atlanta, GA

Height: 5'4"

Weight: 114 lbs.

Measurements: 32C-26-36

Movies: *Jada Stevens Is Buttwoman* (Elegant Angel), *The Hooker Experience* (Evil Angel), *Hot Anal Injection* (Ass Factory), *Church of Bootyism* (New Sensations), *Freshman Anal Orientation* (Zero Tolerance)

I don't do a lot of creampie's, but thinking about it makes me cum.

guys. Would you consider yourself a size queen?

JS: Yes. I like them big. I don't have to have them big, but I do like them big.

HS: Who's the biggest you've had.

JS: Lexington Steele and Mandingo. They're a tie.

HS: What was one of the wildest sex scenes you've ever been a part of?

JS: I had a DP with a lot of oil. It was in *Oil Overload* for Jules Jordan. That was definitely really crazy and hot. It was like nine bottles of baby oil and it was really hot. They did a great job fucking with all the oil.

HS: When was the last time you masturbated, and what do you usually think about when you play with yourself?

JS: I fantasize about a lot of people. I masturbated this morning. I really didn't have a person I was thinking about. I don't do a lot

of creampie's, but thinking about it makes me cum. So if I think about shit like that it makes me hot.

HS: Where would you rate yourself on a scale of 1 to 10?

JS: I'd say a nine.

HS: Where would you rate that nice curvy ass?

JS: [Laughs] I would have to give my ass a 10. She gets me in everywhere.

HS: What is the best and worst thing about being a porn star?

JS: The best thing is that I get to make my own schedule and basically do what the fuck I want. The bad part is people are very judgemental and you either love it or hate it.

HS: What turns you on?

JS: I like to suck dick. I love to give head, it gets me going. I'm a giver, but I have a new

foot fetish for my own feet. [Laughs] I like my feet. I like that. The touch of a tongue on my toes, I'll cum quick.

HS: What turns you off?

JS: Bad hygiene, smelly balls. [Laughs]

HS: Are you very dominant or submissive?

JS: I'm very submissive. I'm learning to play the dominant role. If I'm very comfortable with somebody I can be dominant, but for the most part I'm very submissive. I love being told what to do.

HS: What was your first sexual experience like with a girl?

JS: My first time with a girl was awesome. I loved it. I was like in love or whatever, but it only lasted two weeks and then I phased away from it. But I loved my first time with a girl.

HS: Who are some of your favorite girls in the business?

JS: I love Kristina Rose. I love Alexis Texas. Kelly Divine is definitely one of my favorites.

HS: I read a tweet where you said, "Sex is better than drugs." Why is that?

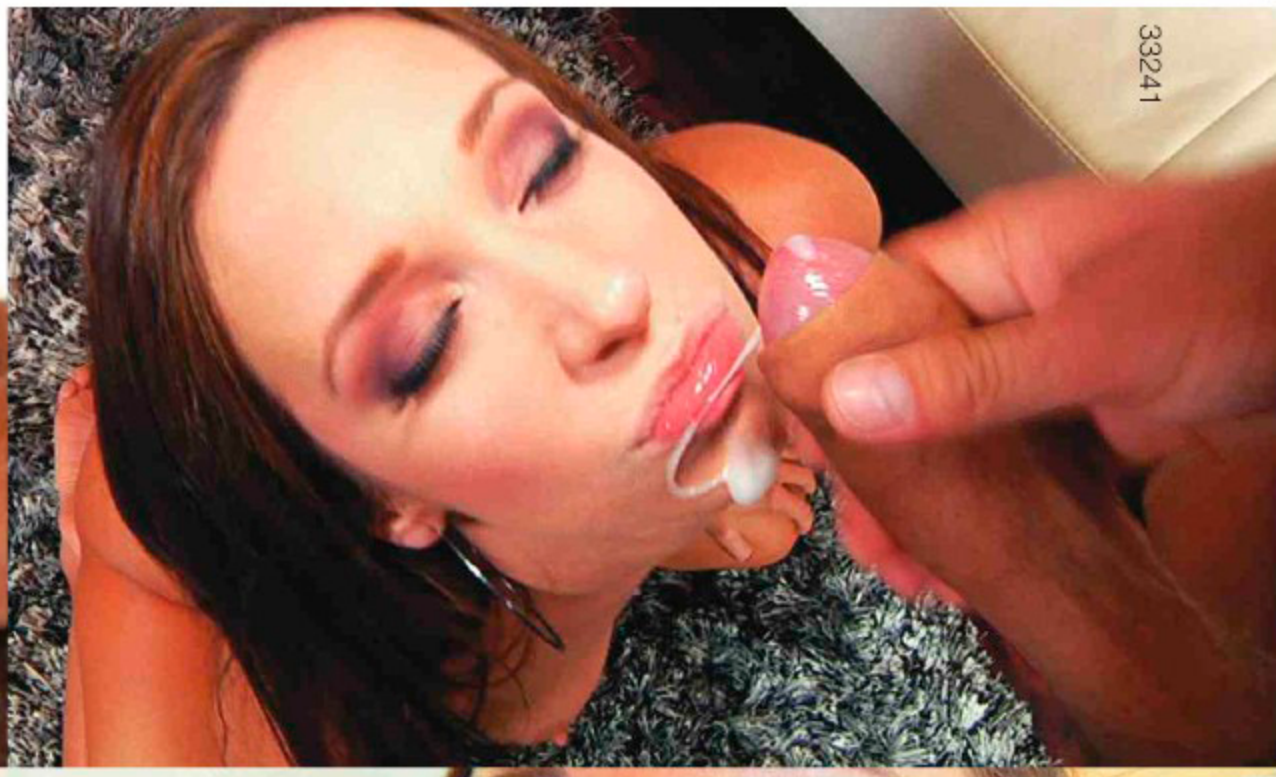

JS: It is. I love weed, don't get me wrong, but sex is like a drug for me. It doesn't do any physical or mental harm to you. It can't kill you or hurt you or make you look bad. So it's better.

HS: Anything you want to say in closing to the HIGH SOCIETY readers?

JS: I've had a crazy year, I've accomplished a lot, and I really love all the support and love I got from my fans.

SHANE DIESEL'S *Cuckold Stories* 8

By Acme Andersson

CICI RHODES

HAILEY HOLIDAY

KACEY VILLAINESS

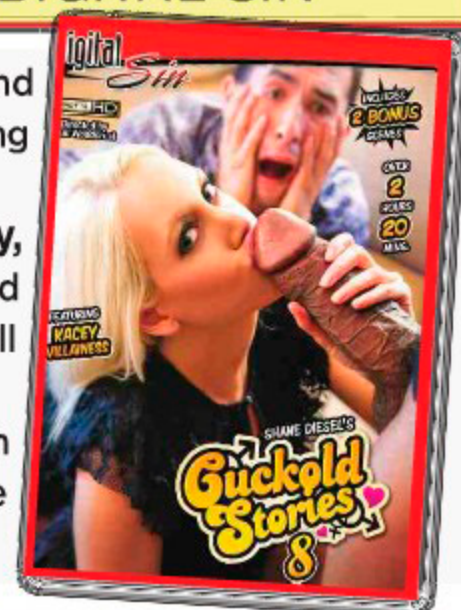

KRISSY LYNN

STARRING: CICI RHODES, HAILEY HOLIDAY, KACEY VILLAINESS AND KRISSY LYNN
WITH SHANE DIESEL **DIRECTOR:** PAUL WOODCREST **STUDIO:** DIGITAL SIN

Shane Diesel is back and he's freaking out more husbands in *Cuckold Stories 8* as he bangs wives and girlfriends right there in front of the dudes, giving each of these ladies something they have been wanting a long time—a huge, black cock. And if they have to take it in front of their men that's their tough luck.

Four beautiful ladies get on the Shane train in this eighth volume of the series: **Cici Rhodes**, **Hailey Holiday**, **Kacey Villainess**, and **Krissy Lynn**. The guys? You don't need to know their names. They are pathetic and whiny and don't deserve their women even though even after this public humiliation they probably are still begging their ladies to stick around. Disgusting.

This is a rare insight into a cuckolding trend that is sweeping the nation: Women got the vote, almost got an Equal Rights Amendment, and now they are demanding to get their pussies pleased as if that was in the Constitution. Maybe it is. You go look while we continue with the hot chicks.

CICI RHODES

This sassy redhead is so bent on putting her man in his place that she takes out a commercially produced Shane dong and shoves it in his mouth while he sits in his office chair looking weak and helpless despite the red power tie. Over his head she begins making out with Shane, then she drapes herself over the chair in front of him and noisily, lovingly, and slobberingly sucks off the black man she brought by the office.

Soon she's spread wide, cock deep inside her sopping-wet love slit as hubby-working-late looks on, shock and awe all over his face and if he keeps watching from so close he's soon going to have something else on his face! When Cici gets on top, her husband practically has Shane's balls in his mouth and his nose up his wife's ass, but if he hasn't been in there by now it looks like he won't be getting another chance.

If there is any question how much she loves getting rocked by Shane's cock—and there are no such questions—she answers them by the way she sucks his cock at the end and pleads for him to plaster her with his load. Shane shoves it back in and drills her until he's ready, then pulls out and gets off all over Cici's twat and stomach. She might have got a little on the husband's face, too, or maybe that was a tear. Either way, he's done.

Diesel Engine: Cici takes a ride on the Diesel Destroyer as hubby can't take his eyes off of his wife's burgeoning blowhole.

HAILEY HOLIDAY

If there is one thing Raul doesn't know how to do it is please his beautiful blonde wife. Maybe it's the small cock, maybe it's the way he doesn't know how to use it, maybe he's just a dud. Whatever it is, Hailey is sick of it. She wants a real man. She wants Shane to throw it to her.

While Raul watches silently and tries to keep his cool, Hailey is overheating. She is desperate to get Shane's cock all the way into her throat, then dying to get her pussy stretched like it's the first

time by this monster-cocked man that Raul will never be. She rides his cock and her pussy grips the black shaft of Shane's cock so tight it's a wonder she can ride him so high and hard, but she does.

Soon Hailey is sucking her new lover's cock, trying to get him to cum in for a white landing on her face, and her bewildered husband looks on, a blank look of loss on his face. While he is perhaps strategizing on how to maintain his marriage, Shane is popping a load all over Hailey's mug. Its volume and rich taste do not help Raul's cause.

Monster cockhound Shane plunders another stretched out slit before going protein shake on Hailey's grill.

KACEY VILLAINESS

Kacey is so blonde and beautiful and perky, it's no wonder why every guy who sees her wants to bang her. JT got his chance—Kacey has called him “boyfriend” for more than a year now—but it looks like that's going to change...right about the time Shane whips his cock out.

The looks on their faces says it all: JT's expression is pure horror, he can't believe a man has a cock so big, let alone is about to shove it in the holes he's coveted for so long; and Kacey's eyes come alive when she sees the length, girth and hardness and knows that it's all for her. If JT is going to watch, watch, but she is not saying no to this dick.

She's a lovely-bodied girl, thin and natural, and when she bends over to let Shane bang her doggie style she's probably the only one in the room that didn't wonder if he might just break the girl in two. JT was terrified she might be permanently damaged, but it's a risk she was willing to take. Her pink twat glistens in the light and she squeals every time Shane's balls smack against her clit as he shows her that she doesn't need to go the rest of her life with the inadequate man she thought she was going to marry. Just look at that smile as she jerks every last drop onto her tits—that is not the smile of a pretty girl who just resigned herself to bad sex the rest of her life, it's the look of a beauty who has rediscovered her freedom and value in this wonderful world.

JT looks on in horror as wife Kacey goes Houlahan on Diesel's hogger.

KRISSY LYNN

It would be an injustice for Krissy and her busty body—with its incredible curves and steaming, fuzzy pussy—to be stuck in a world in which she got fucked only by Marcelo. Sure he's got good qualities, but they are intangible. Now Shane—what with that big, hard cock—that's a man of tangible qualities. If Marcelo wants to join in he can, but she's going to get herself some fucking.

In fact, Krissy seems to like it when her limp-dicked boyfriend gets in on the fun, letting him suck her tits and feet, but the real sucking happens when Shane puts his prick between her lips and her pussy gets it

juices flowing and the smell of love hits the room. Sure Marcelo seems closer than he should be, but maybe that should tell her something.

All that really matters to her is getting that feeling again—is it again? Or is this the first time—of fullness? Her cup overflows as she rides that big cock, or when she's on her back, legs pulled up, Shane slamming it to her, and when she bends over and can almost feel the tip in her stomach it's a pleasure that changes her forever. When Shane finds his time to cum, he lays his load on her pretty puss. If Marcelo wants that pussy, he can have that pussy, but he's going to have to go through Shane's cum to get it.

Laying Down The Load: Krissy's husband Marcelo can only watch as Shane delivers another batch of pole milk right to his pretty bride's puss.

BLACK THAT ASS UP

Bettina Campbell is one black beauty with enough black booty to keep any horny dude diving back into her big, toned butt for more. Bettina says while she loves a long, hard serving of dark meat, this black chick's got mad love for the white sticks, too. "When it comes to jizz bats, I'm colorblind," insists the hot chocolate treat. "After all, no matter what color he is on the outside, every man splooges white," she says. "Well, some guys jizz is kinda off-white. You know, some of it's tinged with a little yellow, like an egg yolk. But, you know, mostly it's all white." That's one beautiful sentiment, Bettina.
